Ljubljana, July 15, 2013

**Dear Friends,**

The European University Sports Association (EUSA) is an umbrella non-profit sport organisation of National University Sport Associations in Europe. We link national federations, universities, teams, individual competitors, volunteers and other partners throughout the continent. Founded in November 1999 in Vienna, EUSA today counts 45 member associations from all over Europe, and represents the official continental University Sports entity recognised by the International University Sports Federation (FISU).

The primary targets of EUSA activities are sports events (European Universities Championships and Games), educational events (conferences, conventions and symposiums) and projects (volunteer training, photo competition, gender equality initiative, anti-doping initiative etc.) as well as advocacy, promotion and other activities in the field of University Sports in Europe.

EUSA is also very active in the field of supporting its developing member associations in their functioning either by offering financial support for the participation of single student athletes and university teams from these countries in EUSA events or by offering the funds for running the administrative structure of the association.

In order to allow us to continuously support our activities and programs on the one hand and our members from developing countries on the other, we need to raise additional funds. That is why we decided to establish the *Club of Donors*. The general aim of the *Club of Donors* is to support dedicated projects enabling further development of University Sport in Europe.

With these goals in mind, we kindly ask all friends of the University Sport movement to join the Club of Donors. To become a member, a minimum annual contribution of € 100 for Individuals and € 500 for Institutions is foreseen. You may state an individual wish where to use or reinvest your donation. We welcome one-time donors, and we especially look forward to long-term partners.

All members of the *Club of Donors* will regularly receive EUSA publications as well as the Invitations to the EUSA Events organised in the countries of Donors residence (on Donors costs). The list of donors will be published on the EUSA website, unless otherwise requested by a member.

We can assure you that the money raised from these donations will be used exclusively to achieve the *Club of Donors'* main aims.

Thank you for your good will and your explicit support taking University Sport one step ahead.

Adam Roczek, President

Matjaz Pecovnik, Secretary General
